From: Director of Naval Intelligence
To: Assistant Chief of Staff for Intelligence, Department of the Army
Subj: Draft Revision of SR 380-350-3
Ref: (a) ACSI, DA memo of 14 Jan 57
(b) SR 380-350-3 (OPNAV Instr 003860.4)

1. Reference (a), a proposed revision to reference (b), the charter for the Armed Services Personnel Interrogation Center (ASPIC), has been reviewed and the following comments are submitted.
2. The Director of Naval Intelligence is in general accord with the need for command coordination at ASPIC to the extent required for proper functioning. In order to provide recognition of legitimate Service interests, however, the responsibilities of the Director of Naval Intelligence, the duties of the Assistant Director, Navy, and several other points require modification.
3. In view of the above, a joint working committee with Army, Navy, Air Force and CIA membership is proposed to arrive at a mutually acceptable charter. Lieutenant Commander John F. ACKERMAN, USN of the Office of Naval Intelligence is available for membership on such a committee.
